SATISFYING RESULT

The goalless draw away to Middlesbrough last Saturday extended our unbeaten run in the Football League to eight matches, and enabled us to extract some measure of revenge for our home defeat by the Ayresome Park club on the opening day of the season.

We always expect a hard game at Middlesbrough, and we certainly had to work hard for our point last week-end. It was a satisfying result, and it was the first time, in the course of the eight away League and Cup matches played to date, that we have denied the home team a goal.

Taken over the ninety minutes, Spurs looked the stronger team, but we were not as sharp in attack as we had been in previous matches. For the first half-hour the play was even, but from that stage we began to get a grip on the game.

Conditions were far from ideal for good football. A breeze was blowing and the pitch was soft under foot, factors that have to be considered in assessing the quality of the play.

Nevertheless, the match was not lacking in highlights, and it was a game Spurs could well have won. In the first half Glenn Hoddle and Don McAllister both had shots well saved by Jim Platt, the Middlesbrough goalkeeper, and Chris Hughton and Chris Jones had also gone close.

The most dramatic moment of the first half from our point of view came early on when Ricky Villa cleared off our goal-line when the odds were all against us.

Micky Burns hit the crossbar for Middlesbrough in the second half, but as time wore on, we felt we were getting on top. Just before the end a shot on the turn by Gerry Armstrong hit the home bar, and with that incident our last scoring chance had gone.

Now we turn to the task of facing **BOLTON WANDERERS**, and we extend a warm and sporting welcome to our visitors from Lancashire. Last Saturday they were beaten 3-1 on Aston Villa's ground, but their present lowly position in the League will almost certainly act as an incentive to them today.

FAIR RESULT

The Reserves also played a goalless draw in the home Football Combination match with West Ham United last Saturday.

A draw was a fair result to a disappointing game, but the Hammers deserve credit for putting up such stubborn resistance. It was a match in which there was little goalmouth action, although both Mark Falco and Tony Galvin were only just off target with first-half shots, and Ray Houghton hit our post before half-time.

In the second half Bobby Ferguson, the West Ham goalkeeper, saved well from Stuart Beavon, Falco hit the bar and the visitors nearly snatched a late winner.

Our team was Kendall; Naylor, Hamill, O'Reilly, Mazzon, Brooke (sub. Emms), Galvin, Beavon, Gibson, Falco and Bolton.

YOUTH AND JUNIORS

The Youth team suffered a rebuff in losing 1-0 to Watford in Division 1 of the South East Counties League last Saturday at Garston.

An early goal won the game for Watford and the nearest we came to scoring was from a shot by Paul Wilkins that the home goalkeeper saved well in the closing minutes.

Team — Allies; G. Brown, M. Wyatt, S. Webster, Corbett, Crook, S. Cox (sub. S. Flynn), Harvey, P. Wilkins, Emms and A. Rollock.

The Juniors defeated Peterborough United 2-0 in Division 2 of the S.E. Counties League at Cheshunt. We were good winners, MARC JONES scoring before half-time with ALAN COCKRAM adding the second in the second half. Team — Parks; Entwistle, P. Baxter, P. Ferguson, A. Waters, A. Cockram, G. Boniface, M. Duffield, M. Jones, A. Greenhill and G. Craig.

SPURS NEWS

AWARDS

October was a good month for GLENN HODDLE. He finished it off with that great match-winning goal against Nottingham Forest, and earlier in the month had netted twice in spectacular style against Norwich City here only a few days before playing, and scoring, for the England "B" team against New Zealand on Orient's ground.

Recognition for his success in October came Glenn's way in the form of his selection as "Player of the Month" by the Evening Standard. Well done, Glenn.

Mr. KEITH BURKINSHAW, our manager, was also in the October honours list. He was named "First Division Manager of the Month" in Bell's Whisky Awards.

MILESTONES

Including substitutions, DON McALLISTER made his 150th appearance for Spurs in both League and Cup competition in the match at Middlesbrough last Saturday.

In the same match OSSIE ARDILES reached his half-century of League matches in our colours. RICKY VILLA also made his 50th appearance, but in his case the figure includes the League Cup and F.A. Cup.

TERRY'S NIGHT

Just a reminder that this is TERRY NAYLOR'S testimonial season, and that one of the big events, staged as a tribute to the loyal service he has given the Club over so many years, is a gala night at the Mayfair Ballroom, High Road, Tottenham, on Sunday, 25th November, from 6.30 p.m. to midnight.

It will take the form of a dinner-dance with full star cabaret. Dinner is timed promptly for 7.30.

Tickets, fully inclusive, are £15 each. All enquiries, please, on telephone numbers 01-808 8754 or 01-807 4372.

F.A. TODAY

"F.A. TODAY" is a new 64-page quarterly magazine launched officially by the Football Association to publicise all matters that come under their jurisdiction.

The first issue is now available and its contents cover international football at all levels, coaching, refereeing, administration, the F.A. Cup, F.A. Trophy, F.A. Vase and official F.A. views both on national and international topics.

This excellent publication is the voice of the Football Association and will interest everyone with a serious interest in the game.

It is available only on subscription to the Quarterly Dept., F.A., 16 Lancaster Gate, London W2 3LW, and the price, covering the first four issues, is £2.65, for which amount, cheque payable to the Football Association, must be enclosed.

SELECTED

Goalkeeper TONY PARKS and striker JIMMY BOLTON, both of our apprentice staff, have been named to attend the Football Association's Youth Coaching and Development Sessions to be held at Lillleshall next week from Monday to Wednesday.

FOR ENGLAND

TERRY GIBSON, our young reserve forward, made his fifth appearance in the England Youth team against Denmark at Esbjerg last week. England won 3-1 and Terry scored one of the goals.

"It rained all the time and the pitch cut up badly", says Terry, who added, modestly, that he thought he had "done enough".

DEBUT

TERRY EMMS, our apprentice defender, came on in the 61st minute of last Saturday's reserve match to make his Combination debut. He acquitted himself well in the time he was on the field.

Looking Ahead

LIVERPOOL NEXT

After today's match with BOLTON WANDERERS, we are called upon to play away on both of the next two Saturdays and coincidentally, both fixtures are on Merseyside.

Next Saturday we line up against LIVERPOOL and on the following Saturday we face EVERTON. It is indeed a formidable prospect for us, and we will have cause for satisfaction if we bring back two points from the double trip.

The mention of Liverpool automatically stirs uneasy memories of last season's visit to Anfield, when we suffered a crushing 7-0 defeat. It can reasonably be claimed, without tempting fate too far, that we will do better this time! Last season's catastrophe will, in fact, stiffen the resolve of our players to come away from Anfield with their heads held high.

We have no need to fear Liverpool. A visit to the reigning champions is always a tough test, but our players have the skill and spirit to hold the Anfielders to a draw, and it is not beyond them to terminate that long stretch of matches without a win on Liverpool's ground.

When the return match with Liverpool was played on this ground last November, the result was a goalless draw.

THEN EVERTON

A good result from the Liverpool game would brighten our outlook for the visit to Everton a week later. Last season we broke even with the Goodison Park club, both matches ending in a 1-1 draw.

The visit to Goodison was at the end of December, and we nearly pulled off a win. Only a fine save by GEORGE WOOD, the Everton goalkeeper, from PETER TAYLOR robbed us of a goal when the score stood at 1-1. MICK LYONS had opened the score for Everton in the 28th minute, but Taylor scored our equaliser before the half-time break.

ROAD ROUTE

For the benefit of supporters planning to travel by road to either or both of these matches, the following route is recommended by the R.A.C.

Proceed from this district via the North Circular Road (A.406) to the junction with the A.1. Turn right on to the A.1 and continue — following the signs — to the junction with the M.1. Follow the M.1 northward to Intersection No. 19 and then follow the M.6 to Intersection No. 23. Continue by the sign-posted route "Liverpool A.580" to Liverpool.

Enter Liverpool by East Lancashire Road (A.580) and turn left on to Townsend Avenue. Continue to the junction with Queen's Drive and cross to Townsend Lane. Turn right on to Walton Breck Road and the Liverpool ground is on the right.

Routes to the car parks and football ground have been signposted but watch out for any special signs, including diversions.

For Everton's ground the same route is recommended as far as the junction linking East Lancashire Road with Queen's Drive. Proceed ahead to Walton Lane and the ground is on the right. Routes to the car parks have been signposted but watch for special signs, including diversions.

The two grounds are very close to each other and the approximate distance from the Tottenham area is 217 miles.

BUSES

Supporters travelling by rail may wish to note that the No. 17d bus from Pier Head and Nos. 26 and 27 from Castle Street, serve the Liverpool ground.

The buses to Everton's ground are Nos. 19 and 44 from Pier Head; 68 from Old Swan; Nos. 3, 22, 25 and 500 from South End of the City; and Nos. 30, 92, 92a, 92b and 93 from City centre.

DIARY

MONDAY NOV. 5

In the absence of Trevor Brooking, the award of the "Hawes Cup" for the Best Performance of the Year to MARK FALCO at the South East Counties League annual dinner at Barrington House was made by John Cartwright, the England Youth Manager. In his speech of thanks, Mark acknowledged the help and guidance he has been given by both Peter Shreeves and Ron Henry.

TUESDAY NOV. 6

Our players, enjoying the hot sunshine, defeated the Widad Club in Casablanca by 4-2. The score at half-time was 2-2 and our goals were scored by CHRIS JONES 2, GLENN HODDLE and STUART BEAVON. Team — Aleksic; Hughton (sub. Yorath), Smith, Pratt, McAllister (sub. Lacy), Perryman, Ardiles (sub. Galvin), Jones C., Armstrong (sub. Beavon), Hoddle and Villa.

WEDNESDAY NOV. 7

The Reserves visited Edgware Town and beat them 4-3 in a friendly match in atrocious conditions. We recovered from an early two-goal deficit for TERRY GIBSON to snatch a late winner. Our first three goals were scored by Gibson, MARK FALCO and MARK DEBENHAM.

Team — Kendall; Naylor, Brooke, O'Reilly, Mazzon, T. Putney, Lee, Gibson, Falco, M. Debenham and Hazard.

All records played here today are supplied by Al Record Stores, 475 High Road, Tottenham N17 (Bruce Grove).

OUR VISITORS BO

WELCOME

The return of **BOLTON WANDERERS** to the First Division at the end of season 1977-78 has not been followed by the success in the top division for which they had hoped.

As Spurs supporters will recall, it was not until our last match that season, away to Southampton, that we secured the point that enabled us to regain our own First Division place at a time when we were in a neck-and-neck situation with Brighton and Hove Albion.

Bolton were promoted as champions with Southampton in the runners-up position, yet when last season finished, the Lancashire club occupied a lower position than ourselves and the Saints.

Bolton's final position last season was seventeenth, and it was clear from their entry into the transfer market as buyers in June that a determined effort was being made to improve the team's performance.

DAVE CLEMENT, the English international full-back, was signed from Queen's Park Rangers, and **IAN GREAVES**, the Bolton manager, also secured the transfer of **LEN CANTELLO**,

the experienced midfield player, from West Bromwich Albion.

Unfortunately for Bolton, they are again among the lowly clubs of the First Division, and unless they soon begin to make up some of the leeway, they are likely to find themselves striving to escape from the relegation zone in the second half of the season.

In their first away match of the season, Bolton pulled off a commendable 0-0 draw on the ground of Liverpool, but they have since sustained a string of defeats on opponents' grounds, including reverses of 4-0 at Derby and 5-2 at Nottingham Forest.

Like ourselves, Bolton were dismissed from the Football League Cup in the opening round. In our case it was a knock-out at the hands of Manchester United, who have made such a good start to the season, but Bolton's early dismissal dealt a heavy blow to their morale.

They were paired with Southend United, and lost the first leg by 2-1 on their own ground. As the second leg at Southend was drawn 0-0, the lowly Third Division side emerged as winners over a club famed for its Cup-fighting reputation in the past.

Bolton have yet to win away from home. We welcome them today, but hope their initial success away from Burnden Park will be delayed beyond this week-end!

BOLTON WANDERERS

JIM McDONAGH (Goalkeeper). A Yorkshireman from Rotherham who joined the local Rotherham United club as a youngster. Developed through Rotherham's apprentice ranks and made his League debut for the Millmoor club in the Third Division in season 1970-71. Joined Bolton on a temporary transfer from Rotherham in August, 1976, and the deal was finalised the following month. In 1973 he had a spell on loan from Rotherham to Manchester United.

DAVE CLEMENT (Defender). Joined Bolton from Queen's Park Rangers last June. Has made five appearances in the full England team, and has also gained international honours at youth level. Signed as a full professional for Rangers in July, 1965, and made his League debut for them in the Third Division in season 1966-67. Born here in London.

SAM ALLARDYCE (Defender). Born at Dudley in the midlands and a player who graduated to League football from Bolton's apprentice ranks. Was upgraded to full professional rank at Burnden Park in November, 1971, and made his League debut at home to Notts County in November, 1973. Was out of the team for a sizeable portion of last season owing to injury, but played against us here just over a year ago.

PAUL JONES (Defender). Born at Ellesmere Port and is now well past the 300 mark in League appearances for Bolton. Graduated through the apprentice ranks at Burnden Park, and has been a full professional since June, 1970. Has been included in the full England and Under-23 squads. A commanding player in the air as well as on the ground, he is also capable of moving upfield to snatch a goal.

DAVID BURKE (Defender). Introduced to League football by Bolton against Birmingham City in a home match in September, 1978. Born in Liverpool and first signed for Bolton as an Associated Schoolboy. Graduated to apprentice rank and was signed as a full contract professional in August, 1977. Also a capable performer in midfield.

PETER NICHOLSON (Midfield). Born at Cleator Moor and started his League career with Blackpool. Played in Blackpool's First Division team in season 1970-71, but Bolton, then in the Third Division, secured his transfer from the seaside club in June, 1971. Is also effective in any defensive position.

MIKE WALSH (Midfield). A versatile player who is equally at home in the back four. Born in Manchester and joined Bolton straight from school. Graduated to full professional rank in July, 1974, and made his League debut in an away match with Nottingham Forest in February, 1975 as a substitute. Is now well past the hundred mark in League appearances.

NEIL McNAB (Midfield). A familiar figure on this ground, he was transferred from Spurs to Bolton last November. Born in Greenock, he signed for Morton and was in their Scottish League team at 15. In February, 1974 he reverted to amateur status to join Spurs, and became a professional in June of that year. His League debut in our colours was as a substitute against Chelsea on this ground in April, 1974. A Scottish schools and youth international, he has also played for his country's Under-21s.

LEN CANTELLO (Midfield). Joined Bolton from West Bromwich Albion last June. Born in Manchester, and developed through the apprentice ranks at West Bromwich. Signed as a full professional for Albion as long ago as October, 1968, and made more than 300 League appearances for them. Made eight appearances in the England Under-23 team.

CHRIS THOMPSON (Forward). Born at Walsall and a newcomer to League football this season. First signed for Bolton on Associated Schoolboy forms, and became an apprentice in July, 1976. Upgraded to full professional status in July, 1977. Has represented England at youth level.

WILLIE MORGAN (Forward). A Scottish international who was born in Glasgow. Made his name with Burnley, who transferred him to Manchester United in August, 1968. Made the further move to Bolton in March, 1976. Has had a taste of football in the United States.

NEIL WHATMORE (Forward). Born at Ellesmere Port and graduated through Bolton's apprentice ranks. Upgraded to full professional in May, 1973 after scoring two goals on his debut at Swansea in a Third Division match in the previous month. Has now made over 200 League appearances for Bolton.

FRANK WORTHINGTON (Forward). A player of exceptional skill with eight England appearances to his credit, all gained in his Leicester City days. Born at Halifax, and made his name with Huddersfield Town. Left Huddersfield for Leicester in August, 1972, and stayed with the Midlands until his transfer to Bolton in October, 1977. Finished last season as Bolton's top scorer with 26 League and Cup goals.

ALAN GOWLING (Forward). Born at Stockport and started his League career with Manchester United, for whom he made 71 League appearances. Left Old Trafford for Huddersfield Town, who transferred him to Newcastle United in August, 1975. Left Newcastle for Bolton in March, 1978.

IAN GREAVES has managed Bolton since 1974. He was previously in charge of Huddersfield Town for six years, and it was during his spell with the Yorkshire club that Spurs defeated them in the final of the F.A. Youth Cup.

Ian was born at Oldham, and after playing with Buxton, he enjoyed a distinguished career as a full-back with Manchester United, Lincoln City and Oldham Athletic.

In his United days he gained a League championship medal and an F.A. Cup runners-up medal. He was in the Manchester team defeated in the 1958 final by Bolton, the club he now manages!

SCORERS' TOTALS

Len Duquemin 16; Johnny Jordan 10; Les Bennett 8; Eddie Baily 5; Freddie Cox and Les Stevens 4 each; Ronnie Burgess and Ernie Jones 2 each; Ken Flint, Charlie Rundle and Horace Woodward 1 each; 2 own goals.

KNOCK-OUT

It was a season in which Spurs appeared to have a good chance in the promotion race until March. The double involvement caused by the team reaching the semi-final of the F.A. Cup took its toll, however, and after our knock-out by Blackpool at Villa Park, we lost two successive League matches, and in fact, played four successive Second Division matches without scoring a goal.

EXTRA-TIME GOALS

The Cup run created tremendous interest, and it proved to be the first time Spurs had reached the semi-final since 1922.

In the opening round we won 2-0 at Bolton, LEN DUQUEMIN scoring both goals in extra time. In order to avoid disruption of industry in that early post-war period, extra time was played in the first game to minimise the likelihood of a replay.

We then defeated West Bromwich Albion 3-1 and Leicester City 5-2, both at home, before winning 1-0 at Southampton in the sixth round.

Then came a dramatic semi-final with Blackpool. We were leading with a goal from Duquemin until four minutes from time, when STAN MORTENSEN equalised. During extra time, Mortensen scored two more, and we were out.

TEN FOR JORDAN

A newcomer in this season was JOHNNY JORDAN, the inside-forward who had played in 1946-47 for Grays Athletic. He turned professional for us, and in his one season as a Spurs player, he scored ten League goals. Later he played for Juventus of Italy and Birmingham City.

FAVOURITES

Spurs' biggest wins were at home by 5-1 over Sheffield Wednesday and by 4-0 against Brentford. In both matches we were opposed by centre-forwards who had enjoyed great popularity as Spurs players earlier in their careers. GEORGE HUNT, then nearing the end of his distinguished career, led the Wednesday attack, and JACK GIBBONS, who had played for us as an amateur, was Brentford's centre-forward.

BIGGEST GATE

The biggest gate of the season was 71,853 for the visit of West Bromwich in the fourth round of the F.A. Cup. The biggest League gate here was for the visit of Cardiff City, who drew a crowd of 57,386. It was a thrilling game against Cardiff with never a dull moment. Spurs won 2-1, FREDDIE COX converting a penalty kick in the second half to give us both points.

HONOURS

It was a season in which a number of Spurs players gained representative honours. RONNIE BURGESS captained Wales and BILL NICHOLSON played in the England team that defeated Switzerland "B" 5-1 at Bellinzona.

TED DITCHBURN played for the Football League, and was also in the F.A. X1 that defeated the Royal Air Force 3-0 on Arsenal's ground.

CHARLIE WITHERS and HARRY GILBERG both played for the Football Combination against Diables Rouges in Brussels, and SONNY WALTERS appeared in the British Army team before his demobilisation.

CAPTAINED BY DUQUEMIN

When the season ended Spurs visited the Channel Islands to play matches against Jersey and Guernsey. As LEN DUQUEMIN, who had by that time made his mark in our League team, came to us from Guernsey, he captained the team in both matches.

The first of the matches was against Jersey, and EDDIE BAILY gave us a 1-0 lead at half-time. In the second half two further Spurs goals were scored by LES BENNETT and Duquemin.

We had an easier passage against Guernsey, who were beaten 7-0. Spurs' goals in that match were scored by Duquemin 3 (one from a penalty), and FREDDIE COX and Bennett 2 each.

CUP-WINNERS

The Reserves were winners of the London Challenge Cup, beating Fulham 3-1 in the final on this ground. WALLY HINSHELWOOD equalised for Fulham after FREDDIE COX had opened the score for Spurs. Cox and SONNY WALTERS scored further goals before half-time.

Action

Steve Perryman looks determined to resist this challenge in our home match against Nottingham Forest. INSET Peter Shilton, the Forest goalkeeper, looks back with dismay as Glenn Hoddle's great shot enters the net for what proved to be the only goal of the game.

OPPOSITE Glenn's shot is on its way, and above, he turns in triumph to earn the enthusiastic applause of his teammates.
